HIGHLIGHTS

The African Studies Program (SFS) is home to research and teaching related to South Africa.

The MSB Africa Business Conference, now in its third year, has included participants from South Africa.

Georgetown was an active participant in the anti-Apartheid divestment campaign of the 1980s. Oliver Tambo, then senior advisor to Nelson Mandela, gave a widely publicized address at Georgetown in 1987 and in his honor, the Oliver Tambo lecture series regularly brings African leaders to campus.
